- Remote Sensing

Basic knowledge:

- Soil, Water & Ecology

Gerrit Rietveld College

2012-2018

VWO/Atheneum | Nature & Technology/Health | Technasium

## WORK EXPERIENCE

### Caffè Tola

April 2024 – May 2025

As an *employee*, I ran the café: sold and made drinks and food and served costumers.

### Kunst En Eerlijke Koffie

September 2021 – April 2024

As an *employee*, I ran the café: sold and made drinks and food and served costumers.

### World Wide Fund for Nature

January 2023 – February 2023

As a *volunteer* I was involved in guest lectures, promotion activities and small projects around sustainability.

### Wageningen Environmental Platform

September 2020 – August 2021

As *service manager* I was in charge of the second hand bookshop and I helped organising events such as the 'B&B's for bees' project.
